WHEREAS, the District presently expects to access the public bond market to provide for the financing of certain capital improvements, facilities, and services to benefit the lands within the District; and

WHEREAS, the District, Neal Communities of Southwest Florida, LLC, NC Land Group, LLC, and Atlantic National Partners, LLC, desire to enter into this Agreement to provide funds to enable the District to commence its financing program.

NOW, THEREFORE, based upon good and valuable consideration and the mutual covenants of the parties, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. PROVISION OF FUNDS. Neal Communities of Southwest Florida, LLC, NC Land Group, LLC, and Atlantic National Partners, LLC, agree to make available to the District such monies as are necessary to proceed with the issuance of bonds or other indebtedness to fund the District’s improvements, facilities and services.

A. Landowners agrees to provide to the District any such monies within fourteen (14) days of the receipt of an invoice from the District requesting such funds. Such funds, and all future funds provided pursuant to this Agreement, may be supplied by check, cash, wire transfer or other form of payment deemed satisfactory in the sole discretion of the District as determined by the District Manager. The District agrees to authorize District staff, including the District Engineer, District Manager, and District Counsel, to proceed with the work contemplated by this Agreement, including but not limited

retaining a Bond Counsel and Methodology Consultant and other professional assistance as may be necessary to proceed with the work contemplated by this Agreement.

B. Landowners and the District agree that all fees, costs, or other expenses incurred by the District for the services of the District's Engineer, Counsel, Manager, Bond Counsel, Disclosure Counsel, Methodology Consultant, Financial Advisor or other professionals, for the work contemplated by this Agreement shall be paid solely from the funds provided by Landowners pursuant to this Agreement. Such payments shall be made in accordance with the District's normal invoice and payment procedures. The District agrees that any funds provided by Landowners pursuant to this Agreement shall be used solely for fees, costs, and expenses arising from or related to the work contemplated by this Agreement.

C. The District agrees to provide to Landowners, on a monthly basis, copies of all invoices, requisitions, or other bills for which payment is to be made from the funds provided by Landowners. The District agrees to provide to Landowners, monthly, a statement from the District Manager showing funds on deposit prior to payment, payments made, and funds remaining on deposit with the District.

D. In the event that Landowners fails to provide any such funds pursuant to this Agreement, Landowners and the District agree the work may be halted until such time as sufficient funds are provided by Landowners to ensure payment of the costs, fees or expenses which may be incurred in the performance of such work.

E. The parties agree that all funds provided by Landowners pursuant to this Agreement may be reimbursable from proceeds of District financing for capital improvements relative to the Project, and that within forty-five (45) days of receipt of the proceeds by the District of bonds or notes for the Project, the District shall reimburse Landowners in full, exclusive of interest, for these advances; provided, however, that Bond Counsel determines that such monies are properly reimbursable from the proceeds of such financing, and provided, however, that after reasonable efforts, the District is able to issue bonds to finance the Project. In the event that District bonds are not issued within two (2) years of the date of this agreement, all funds provided by Landowners pursuant to this Agreement shall be deemed paid in lieu of taxes or assessments.

2. TERMINATION. Landowners and District agree that Landowner may terminate this Agreement without cause by providing ten (10) days written notice of termination to the District. Any such termination by Landowners is contingent upon Landowners provision of sufficient funds to cover any and all fees, costs or expenses incurred by the District in connection with the work to be performed under this Agreement as of the date by when notice of termination is received. Landowners and the District agree that the District may terminate this Agreement due to a failure of Landowners to provide funds in accordance with Section 1 of this Agreement, by providing ten (10) days written notice of termination to Landowners; provided, however, that the Landowners shall be provided a reasonable opportunity to cure any such failure

3. CAPITALIZATION. The parties agree that all funds provided by Landowners pursuant to this Agreement may be reimbursable from proceeds of District financing for capital improvements, and that within forty-five (45) days of receipt of the proceeds by the District of bonds or notes for the District's capital projects, the District shall reimburse Landowners in full, exclusive of interest, for these advances; provided, however, that in the event Bond Counsel determines that any such monies are not properly reimbursable, such funds shall be deemed paid in lieu of taxes or assessments. AGREEMENT FOR UNDERWRITING SERVICES THREE RIVERS STEWARDSHIP DISTRICT

July 8, 2026

Board of Supervisors
Three Rivers Stewardship District

Dear Supervisors:

MBS Capital Markets, LLC (the "Underwriter") offers to enter into this agreement (the "Agreement") with the Three Rivers Stewardship District (the "District") which, upon your acceptance of this offer, will be binding upon the District and the Underwriter. The District is proposing to issue one or more series of bonds (the "Bonds") including its Series 2026 Bonds (if the Bonds are issued in a subsequent year, then such year designation) to acquire and/or construct the initial phase of public infrastructure for the District that may include, without limitation, roads, water, sewer and storm water management improvements. This Agreement will cover the engagement for the Series 2026 Bonds and will be supplemented for future bond issuances.

1. **Scope of Services:** MBS intends to serve as the underwriter, and not as a financial advisor or municipal advisor, in connection with the issuance of the Bonds. The scope of services to be provided in a non-fiduciary capacity by the Underwriter for this transaction will include those listed below.
 - Advice regarding the structure, timing, terms, and other similar matters concerning the particular municipal securities described above.
 - Preparation of rating strategies and presentations related to the issue being underwritten.
 - Preparations for and assistance with investor "road shows," if any, and investor discussions related to the issue being underwritten.
 - Advice regarding retail order periods and institutional marketing if the District decides to engage in a negotiated sale.
 - Assistance in the preparation of the Preliminary Official Statement, if any, and the Final Official Statement.
 - Assistance with the closing of the issue, including negotiation and discussion with respect to all documents, certificates, and opinions needed for the closing.
 - Coordination with respect to obtaining CUSIP numbers and the registration with the Depository Trust Company.

MBS CAPITAL MARKETS, LLC

- Preparation of post-sale reports for the issue, if any.
 - Structuring of refunding escrow cash flow requirements, but not the recommendation of and brokerage of particular municipal escrow investments.
2. **Fees:** The Underwriter will be responsible for its own out-of-pocket expenses other than the fees and disbursements of underwriter's or disclosure counsel, which fees shall be paid from the proceeds of the Bonds. Any fees payable to the Underwriter will be contingent upon the successful sale and delivery or placement of the Bonds. The underwriting fee for the sale or placement of the Bonds will be the greater of 2.0% of the par amount of Bonds issued or \$50,000.
 3. **Termination:** Both the District and the Underwriter will have the right to terminate this Agreement without cause upon 90 days written notice to the non-terminating party.
 4. **Purchase Contract:** At or before such time as the District gives its final authorization for the Bonds, the Underwriter and its counsel will deliver to the District a purchase or placement contract (the "Purchase Contract") detailing the terms of the Bonds.
 5. **Notice of Meetings:** The District shall provide timely notice to the Underwriter for all regular and special meetings of the District. The District will provide, in writing, to the Underwriter, at least one week prior to any meeting, except in the case of an emergency meeting for which the notice time shall be the same as that required by law for the meeting itself, of matters and items for which it desires the Underwriter's input.
 6. **Disclosures Concerning the Underwriter's Role Required by MSRB Rule G-17.** The Municipal Securities Rulemaking Board's Rule G-17 requires underwriters to make certain disclosures to issuers in connection with the issuance of municipal securities. Those disclosures are attached hereto as "Exhibit A." By execution of this Agreement, you are acknowledging receipt of the same. If you or any other Issuer officials have any questions or concerns about these disclosures, please make those questions or concerns known immediately to the undersigned. In addition, you should consult with the Issuer's own financial and/or municipal, legal, accounting, tax and other advisors, as applicable, to the extent you deem appropriate. It is our understanding that you have the authority to bind the Issuer by contract with us, and that you are not a party to any conflict of interest relating to the subject transaction. If our understanding is incorrect, please notify the undersigned immediately.

This Agreement shall be effective upon your acceptance hereof and shall remain effective until such time as the Agreement has been terminated in accordance with Section 3 hereof.

EXHIBIT A

Disclosures Concerning the Underwriter's Role

- (i) MSRB Rule G-17 requires an underwriter to deal fairly at all times with both municipal issuers and investors.
- (ii) The underwriter's primary role is to purchase the Bonds with a view to distribution in an arm's-length commercial transaction with the Issuer. The underwriters has financial and other interests that differ from those of the District.
- (iii) Unlike a municipal advisor, the underwriter does not have a fiduciary duty to the District under the federal securities laws and are, therefore, is required by federal law to act in the best interests of the District without regard to their own financial or other interests.
- (iv) The underwriter has a duty to purchase the Bonds from the Issuer at a fair and reasonable price but must balance that duty with their duty to sell the Bonds to investors at prices that are fair and reasonable.
- (v) The underwriter will review the official statement for the Bonds in accordance with, and as part of, its respective responsibilities to investors under the federal securities laws, as applied to the facts and circumstances of this transaction.

Disclosure Concerning the Underwriter's Compensation

The underwriter will be compensated by a fee and/or an underwriting discount that will be set forth in the bond purchase agreement to be negotiated and entered into in connection with the issuance of the Bonds. Payment or receipt of the underwriting fee or discount will be contingent on the closing of the transaction and the amount of the fee or discount may be based, in whole or in part, on a percentage of the principal amount of the Bonds. While this form of compensation is customary in the municipal securities market, it presents a conflict of interest since the underwriter may have an incentive to recommend to the District a transaction that is unnecessary or to recommend that the size of the transaction be larger than is necessary.

MBS CAPITAL MARKETS, LLC

Page | 5

Conflicts of Interest

The Underwriter has not identified any additional potential or actual material conflicts that require disclosure including those listed below.

Payments to or from Third Parties. There are no undisclosed payments, values, or credits to be received by the Underwriter in connection with its underwriting of this new issue from parties other than the District, and there are no undisclosed payments to be made by the Underwriter in connection with this new issue to parties other than the District (in either case including payments, values, or credits that relate directly or indirectly to collateral transactions integrally related to the issue being underwritten). In addition, there are no third-party arrangements for the marketing of the District's securities.

Profit-Sharing with Investors. There are no arrangements between the Underwriter and an investor purchasing new issue securities from the Underwriter (including purchases that are contingent upon the delivery by the District to the Underwriter of the securities) according to which profits realized from the resale by such investor of the securities are directly or indirectly split or otherwise shared with the Underwriter.

Credit Default Swaps. There will be no issuance or purchase by the Underwriter of credit default swaps for which the reference is the District for which the Underwriter is serving as underwriter, or an obligation of that District.

Retail Order Periods. For new issues in which there is a retail order period, the Underwriter will honor such agreement to provide the retail order period. No allocation of securities in a manner that is inconsistent with a District's requirements will be made without the District's consent. In addition, when the Underwriter has agreed to underwrite a transaction with a retail order period, it will take reasonable measures to ensure that retail clients are bona fide.

Dealer Payments to District Personnel. Reimbursements, if any, made to personnel of the District will be made in compliance with MSRB Rule G-20, on gifts, gratuities, and non-cash compensation, and Rule G-17, in connection with certain payments made to, and expenses reimbursed for, District personnel during the municipal bond issuance process.

Disclosures Concerning Complex Municipal Securities Financing

Since the Underwriter has not recommended a "complex municipal securities financing" to the Issuer, additional disclosures regarding the financing structure for the Bonds are not required under MSRB Rule G-17.

The public infrastructure for the project is as follows:

Roadway Improvements:

All roads within Three Rivers Stewardship District with the exceptions of the spine roads connecting Dove Avenue to Lorraine Road and Ibis Street to Lorraine Road are to be private and will be funded by the Developer and dedicated to the Homeowner's Association for ownership and maintenance. All roads will be designed and constructed in accordance with Sarasota County standards. Notwithstanding the same, the District will be provided access over the privately owned roadways for purposes of operating and maintaining the public improvements of this CIP.

There will be fifteen (15) access points into the Three Rivers community, with multiples entrees along Ibis Street, Lorrain Road, and SR-72.

Stormwater Management System:

The stormwater collection and outfall system are a combination of roadway curbs, curb inlets, pipe, control structures, and open lakes designed to treat and attenuate stormwater runoff from District lands. The stormwater system will be designed consistent with the applicable design requirements for stormwater/floodplain management systems. The District will finance, own, operate, and maintain the stormwater system, with the exception of the inlets and storm sewer systems that may be part of dedicated rights-of-way. Please refer to **Exhibit 6B: Stormwater Plan**.

NOTE: No private earthwork is included in the CIP. Accordingly, the District will not fund any costs of mass grading of lots or the transportation of any fill to such lots.

Water, Wastewater, and Reclaim Utilities:

As part of the CIP, the District intends to construct and/or acquire water, wastewater and reclaim infrastructure. No private irrigation will be funded with the CIP, only the public reclaim irrigation main will be included.

In particular, the on-site water supply improvements include water mains that will be located within rights-of-way and used for potable water service and fire protection. Please refer to **Exhibit 6A: Potable Water Plan**.

Wastewater improvements for the project will include an on-site gravity collection system, off-site and on-site force main, and on-site lift stations. Please refer to **Exhibits 6C: Gravity Sewer Plan and 6D: Force Main Plan**.

Similarly, the reclaim water distribution system will be constructed to provide service for irrigation throughout the community.

The water and reclaim distribution and wastewater collection systems for all phases will be constructed and/or acquired by the District and then dedicated to a local, public utility provider for operation and maintenance. The CIP will only include laterals to the lot lines (i.e., point of connection).

Hardscape, Landscape, and Irrigation:

The District will fund landscaping, and hardscaping (i.e perimeter walls) within District common areas and rights-of-way. All such landscaping and hardscaping will be owned, maintained, and funded by the District. Such infrastructure, to the extent that it is located in rights-of-way owned by a local general-purpose government, will be maintained pursuant to a right-of-way agreement or permit. Any landscaping or hardscaping systems behind hard-gated roads, if any, would not be financed by the District and instead would be privately installed and maintained.

Streetlights:

The Developer intends to lease streetlights through an agreement with a local utility provider and will fund the streetlights through an annual operations and maintenance assessment. As such, streetlights are not included as part of the CIP.

Recreational Amenities:

Three Rivers will have multiple recreational amenity campuses for the exclusive use of Three Rivers residents. The amenity locations will provide the typical programming such as a clubhouse, pool, park, and sports courts. All amenity facilities are considered common elements for the benefit of the community and not part of the CIP. Further, all amenity facilities will be funded by the Developer to be owned and maintained by the POA. Although the CIP benefits the recreational amenities, they are not assessed pursuant to state law, as they are a common element for the Three Rivers development.

Environmental Conservation:

The District will provide on-site conservation areas in order to offset wetland impacts associated with the construction of the development. The Developer will be responsible for the design, permitting, and construction. The District will be responsible for the maintenance, and government reporting of the environmental mitigation. These costs are included within the CIP.

Off-Site Improvements:

Off-site improvements include right and left turn lanes along Ibis Road, as well as a proposed roundabout entrance on Clark Road (SR-72). Also, a proposed extension to multi-use recreational trail along Ibis Road that will tie into the existing MURT at Grand Park. These costs are included within the CIP. Please refer to **Exhibit 9: Offsite Improvements (Roadway/MURT)**.

Professional Services:

The CIP also includes various professional services. These include: (i) engineering, surveying, and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

NOTE: In the event that impact fee credits are generated from any roadway, utilities or other improvements funded by the District, any such credits, if any, will be the subject of an acquisition agreement between the applicable developer and the District.

4. PERMITTING/CONSTRUCTION COMMENCEMENT

All permits that are required for the construction of the CIP as follows:

- Permits Currently under review:
 - 404 ACOE Permit – Approved
 - SWFMWD – Approved
- Permits forthcoming:
 - Sarasota County S&D Permit
 - Sarasota County Stormwater Permit
 - Sarasota County utility permit
 - Sarasota County Tree Permit
 - FDEP Potable Water and Wastewater General Permits

5. CIP COST ESTIMATE / MAINTENANCE RESPONSIBILITIES

The table below presents, among other things, a cost estimate for the CIP. It is our professional opinion that the costs set forth below are reasonable and consistent with market pricing.

TABLE 3: CIP COST ESTIMATE

Improvement	Estimated Cost
Earthwork/ Grading	\$122,435,200
Stormwater Management Systems	\$104,287,200
Potable Water Systems	\$60,870,480
Sanitary Sewer Systems	\$105,462,464
Walls and Landscaping	\$58,294,000
Reclaim/Irrigation	\$46,765,812
Environmental/Wetland Mitigation	\$16,000,000
Off-Site Improvements	\$12,000,000
Roadway Improvements	\$90,676,400
Amenities	\$180,000,000
Professional Services & Permit Fees	\$78,429,600
Contingency (10%)	\$80,769,915
TOTAL	\$955,991,071

- The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated Stewardship expenditures that may be incurred.
- The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association, in which case such items would not be part of the CIP.
- The District may enter into an agreement with a third-party, or an applicable property owner's or homeowner's association, to maintain any District-owned improvements, subject to the approval of the District's bond counsel.
- Certain roadways will be gated. The District will only finance utilities and stormwater improvements behind such gated areas.

6. CONCLUSIONS

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- The estimated cost to the CIP as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- All of the improvements comprising the CIP are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;

- The CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- The assessable property within the District will receive a special benefit from the CIP that is at least equal to such costs.

Also, the CIP will constitute a system of improvements that will provide benefits, both general, and special and peculiar, to all lands within the District. The general public, property owners, and property outside the District will benefit from the provisions of the District's CIP; however, these are incidental to the District's CIP, which is designed solely to provide special benefits peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enables properties within its boundaries to be developed.

The CIP will be owned by the District or other governmental units and such CIP is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the CIP or the fair market value.

Please note that the CIP as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This Master Validation Report (the "Validation Report") is designed to provide an estimate of the total par amount of bonds needed to (i) fund the Capital Improvement Program (the "CIP") for the Three Rivers Stewardship District (the "District") and (ii) make a recommendation on the amount of bonds the District may seek to validate to fund the CIP. The District is located in Sarasota County, Florida, and was established by Chapter 2023-337, Laws of Florida as amended by Chapter 2024-291, Laws of Florida. The District has a total area of approximately +/- 3,687 acres and its area is described in Exhibit "A".

1.2 Scope of the Validation Report

This Validation Report presents the projections for financing the costs of the CIP as described in the Three Rivers Stewardship District Master Engineer's Report prepared by Atwell, LLC (the "Consulting Engineer") and dated April 2026 (the "Engineer's Report"). Further, based on such financing projections, this Validation Report provides a recommendation on the amount of bonds that the District may seek to validate.

1.3 Executive Summary

In order to generate the CIP capital funding of \$955,991,071, this Validation Report projects that the District would have to issue indebtedness in the total estimated amount of \$1,308,165,000. Consequently, it is the recommendation of this Validation Report that the District proceed with seeking the validation of an additional 50% or \$654,082,500 in bonds (for a grand total of \$1,962,247,500), as the additional amount of bonds will provide a prudent cushion for the District in light of the likely lengthy, 25-year plus, horizon over which the District will construct and fund its CIP.

1.4 Organization of the Validation Report

Section Two herein describes the development program as proposed by the Developer, as defined below.

Section Three herein provides a summary of the CIP as determined by the Consulting Engineer.

Section Four herein discusses the financing program for the District.

Section Five herein provides the recommendation for the amount of validation of bonds for the District.

2.0 Development Program

2.1 Overview

The District serves the Three Rivers Community which is a residential, master planned development located in Sarasota County, Florida. The District measures approximately 3,687 +/- acres and is generally located on the east side of Ibis Road and south side of Clark Road (SR-72) in Sarasota County, Florida. The project lies within Sections 16, 20, 21, 29, and 31, Township 37 South, Range 19 East. See Exhibit "A" attached hereto.

2.2 The Development Program

The land development in the District that has already commenced and will be continued by Neal Communities of Southwest Florida, LLC and/or its associates, (the "Developer"). Based upon the current information provided by the Developer, the current authorized land uses include various single-family and multi-family residential units, although land use types and unit numbers may change throughout the development period.

3.0 Capital Improvement Program

3.1 Overview

The public infrastructure improvements that comprise the CIP are described by the Consulting Engineer in the Engineer's Report. The Engineer's Report describes and estimates the cost of public infrastructure improvements which are projected to be funded by the District as part of the CIP.

3.2 Components of the Capital Improvement Program

The public infrastructure improvements which are part of the CIP and are needed to serve the Development are projected to consist of improvements which will serve all of the lands in the District. The CIP needed to serve the Development is projected to consist of earthwork/grading, stormwater management systems, potable water systems, sanitary sewer systems, walls and landscaping,

reclaim/irrigation, environmental/wetland mitigation, off-site improvements, roadway improvements and amenities, as well as soft costs and contingency all as set forth in more detail in the Engineer's Report.

The infrastructure included in the CIP will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another. At the time of this writing, the total costs of the CIP are estimated at \$955,991,071. Table 1 in the *Appendix* illustrates the specific components of the CIP and their costs.

4.0 Financing Program

4.1 Derivation of Future CIP Costs

As noted in *Section 3.2*, according to the Consulting Engineer, the cost estimate of \$955,991,071 represents the total current-dollar cost of the CIP. *Table 1* in the *Appendix* illustrates the derivation of the total cost of the CIP.

4.2 Bond Financing Projections

The District plans to fund its CIP costs estimated in *Section 4.1* above at \$955,991,071 by issuing tax-exempt bonds secured by special assessments on benefiting property in the District. The bonds would be issued from time-to-time in multiple series to fund the CIP. *Table 2* in the *Appendix* provides the bond sizing needed to generate the funds needed for the CIP.

This Validation Report estimates that in order to generate total construction proceeds of \$955,991,071, the District would have to issue bonds in the total amount estimated at \$1,308,165,000. In addition, the bonds will also fund a debt service reserve, a capitalized interest, underwriter's discount and cost of issuance.

5.0 Master Validation Amount Recommendation

The Validation Report derived the amount of bonds needed to finance the CIP costs estimated in the Engineer's Report at \$1,308,165,000. This Validation Report recommends that the District validate an additional amount of bonds in the amount of \$654,082,500 for a total of \$1,962,247,500. This extra increment of

bonds is prudent in light of the size, complexity and long-time horizon for the bond funding program outlined above.

NOW, THEREFORE, BE IT RESOLVED by the Three Rivers Stewardship District, as follows:

Section 1. Definitions. Undefined capitalized terms used herein shall have the meanings assigned thereto in the Master Trust Indenture (the “Master Indenture”), the form of which is set out as **Exhibit “A”** attached hereto, unless the context otherwise clearly requires.

Section 2. Authorization of Bonds. The District hereby authorizes the issuance of not to exceed \$1,962,247,500 aggregate principal amount of the Bonds (excluding any Refunding Bonds issues as provided in the Master Indenture) in one or more series to pay all or a portion of the Costs of the Project. The Bonds may be issued and delivered by the District in payment of all or a portion of the purchase price of the Project or may be sold at public or private sale.

Section 3. Certain Details of the Bonds. The Bonds, and the interest thereon, shall not be deemed to constitute a debt, liability or obligation of the District, of Sarasota County, Florida (“County”), or of the State of Florida (the “State”), or of any other political subdivision thereof, but shall be payable solely from the Pledged Revenues designated for a Series of Bonds, including, but not limited to, Assessments levied by the District on property within the District benefited by the Project and subject to assessment, as set forth in the Master Indenture, and neither the faith and credit nor any taxing power of the District, the County, or the State, or of any other political subdivision thereof, is pledged to the payment of the principal of or interest on the Bonds, except for Assessments to be assessed and levied by the District to secure and pay the Bonds.

The final maturity date or dates of a Series of Bonds and the interest rate or rates thereon shall be determined, within the foregoing limits, and any optional, mandatory and extraordinary redemption provisions thereof shall be fixed by the Series Indenture, or by one or more resolutions of the District to be adopted prior to the delivery of a Series of Bonds. In other respects, the Bonds shall be in the form, shall be executed and authenticated, shall be subject to replacement and shall be delivered as provided in a Series Indenture.

Prior to the issuance and delivery of any Series of Bonds, to the extent applicable to such Series of Bonds, the District shall have undertaken and, to the extent then required under applicable law, completed all necessary proceedings, including, without limitation, the approval of assessment rolls, the holding of public hearings, the adoption of resolutions and the establishment of all necessary collection proceedings, in order to levy and collect Assessments upon the lands within the District subject to assessment, all as more specifically required and provided for by the Act and Chapter 170, Florida Statutes, as the same may be amended from time to time, or any successor statutes thereto.

Section 10. Subsequent Resolution(s) Required. Notwithstanding anything to the contrary contained herein, no Series of Bonds may be issued or delivered until the District adopts a subsequent resolution and/or Supplemental Indenture for each such Series fixing the details of such Series of Bonds remaining to be specified or delegating to a Designated Member the authority to fix such details.

Section 11. Severability. If any section, paragraph, clause or provision of this resolution shall be held to be invalid or ineffective for any reason, the remainder of this resolution shall continue in full force and effect, it being expressly hereby found and declared that the

remainder of this resolution would have been adopted despite the invalidity or ineffectiveness of such section, paragraph, clause or provision.

Section 12. Open Meetings. It is hereby found and determined that all acts of the Board concerning and relating to adoption of this Resolution were taken in open meetings of the Board and all deliberations of the Board that resulted in such official acts were in meetings open to the public in compliance with all legal requirements, including, but not limited to, the requirements of Section 286.011, Florida Statutes.

ARTICLE II

FORM, EXECUTION, DELIVERY AND DESIGNATION OF BONDS

Section 201. Issuance of Bonds. For the purpose of providing funds for paying all or part of the Cost of a Series Project, Bonds of a Series, without limitation as to aggregate principal amount, may be issued under this Master Indenture subject to the conditions hereinafter provided in Section 207 of this Article. Debt Service on each Series of Bonds shall be payable solely from the Pledged Revenues and Pledged Funds pledged to such Series of Bonds in the Supplemental Indenture authorizing the issuance of such Series of Bonds and, as may be provided in such Supplemental Indenture, all of the provisions of this Master Indenture shall be for the benefit and security of the present and future Owners of such Series of Bonds so issued, without preference, priority or distinction, as to lien or otherwise, of any one Bond of such Series over any other Bond of such Series. The District may also issue from time to time, Additional Bonds, Completion Bonds and Refunding Bonds of a Series under and pursuant to the terms of the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 202. Details of Bonds. Bonds of a Series shall be in such denominations, numbered consecutively, shall bear interest from their date until their payment at rates not exceeding the maximum rate permitted by law, shall be dated, shall be stated to mature in such year or years in accordance with the Act, and shall be subject to redemption prior to their respective maturities, subject to the limitations hereinafter provided, as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Bonds of a Series may be Current Interest Bonds, Variable Rate Bonds, Capital Appreciation Bonds, Option Bonds or any combination thereof and may be secured by a Credit Facility or Liquidity Facility, all as shall be provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds. Bonds of a Series (or a part of a Series) may be in book-entry form at the option of the District as shall be provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Debt Service shall be payable in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public and private debts. Interest shall be paid to the registered Owner of Bonds at the close of business on the Record Date for such interest; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 hereof, the payment of interest and principal or Redemption Price or Amortization Installments pursuant hereto shall be made by the Paying Agent to such person who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed

payment, appears on the registration books of the Bond Registrar as the registered Owner of a Bond. Any payment of principal, Maturity Amount or Redemption Price shall be made only upon presentation of the Bond at the designated corporate trust office of the Paying Agent in Fort Lauderdale, Florida; provided, however, that presentation shall not be required if the Bonds are in book-entry only form. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment by delivery of written notice to the Paying Agent prior to the Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Bonds, or, if less than such amount, all of the Bonds then Outstanding). Unless otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, interest on a Series of Bonds will be computed on the basis of a 360-day year of twelve 30-day months.

Section 203. Execution and Form of Bonds. The Bonds shall be signed by, or bear the facsimile signature of, the Chair, shall be attested and countersigned by the Secretary, and the certificate of authentication appearing on the face of the Bonds shall be signed by, or bear the facsimile signature of, the Trustee; provided, however, that each Bond shall be manually signed by either the Chair, the Secretary or the Trustee. The official seal of the District shall be imprinted or impressed on each Bond. In case any officer whose signature or a facsimile of whose signature appears on any Bond shall cease to be such officer before the delivery of such Bond, such signature or such facsimile shall nevertheless be valid for all purposes the same as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be proper officers to execute such Bond although at the date of such Bond such persons may not have been such officers. The Bonds, and the provisions for registration and transfer to be endorsed on such Bonds, shall be substantially in the form set forth in a Supplemental Indenture. The Trustee may appoint one or more authenticating agents.

Section 204. Negotiability, Registration and Transfer of Bonds. The District shall cause books for the registration and for the transfer of the Bonds as provided in this Master Indenture to be kept by the Bond Registrar. All Bonds shall be registered as to both principal and interest. Any Bond may be transferred only upon an assignment duly executed by the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, such transfer to be made on such books and endorsed on the Bond by the Bond Registrar. No charge shall be made to any Owner for registration and transfer as hereinabove provided, but any Owner requesting any such registration or transfer shall pay any tax or other governmental charge required to be paid with respect thereto. The Bond Registrar shall not be required to transfer any Bond during the period between the Record Date and the Interest Payment Date next succeeding the Record Date of such Bond, during the period between the Record Date for the mailing of a notice of redemption and the date of such mailing, nor after such Bond has been selected for redemption. The Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State, and each successive Owner, in accepting any of the Bonds, shall be conclusively deemed to have agreed that such Bonds shall

be and have all of the qualities and incidents of negotiable instruments under the laws of the State.

Section 205. Ownership of Bonds. The person in whose name any Bond shall be registered shall be deemed the absolute Owner thereof for all purposes, and payment of Debt Service shall be made only to or upon the order of the registered Owner thereof or his attorney or legal representative as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Trustee, the District, the Bond Registrar and the Paying Agent may deem and treat the registered owner of any Bond as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Trustee, the District, the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary.

Section 206. Special Obligations. Each Series of Bonds shall be a special and direct obligation of the District. Neither the Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness of the District within the meaning of the Constitution and laws of the State. The Bonds and the interest and premium, if any, payable thereon do not constitute either a pledge of the full faith and credit of the District or a lien upon any property of the District other than as provided herein or in the Supplemental Indenture authorizing the issuance of such Series of Bonds. No Owner or any other person shall ever have the right to compel the exercise of any ad valorem taxing power of the District or any other public authority or governmental body to pay Debt Service or to pay any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds. Rather, Debt Service and any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds, shall be payable solely from, and shall be secured solely by, the Series Pledged Revenues and the Series Pledged Funds pledged to such Series of Bonds, all as provided herein and in such Supplemental Indenture.

Section 207. Authorization of Bonds. (a) There shall be issued from time to time in Series, under and secured by this Master Indenture, Bonds without limitation as to aggregate principal amount for the purposes of: (i) paying all or part of the Cost (as provided in Section 403 hereof) of a Series Project or Series Projects or refunding a Series of Bonds or any portion thereof then Outstanding; (ii) depositing the Series Reserve Account Requirement to the Series Reserve Account for such Series of Bonds; (iii) paying the costs and expenses of issuing such Series of Bonds; and (iv) undertaking other acts permitted by the Act.

(b) Each Series of Bonds, upon initial issuance thereof, shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of the following:

- (i) an executed and attested original or certified copy of this Master Indenture;

(ii) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on which, and the amounts in which, such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(iii) an opinion of counsel for the District substantially to the effect that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized in accordance with the terms hereof and of the Act, and have been duly approved and adopted, that the issuance of such Series of Bonds has been duly authorized, and that this Master Indenture and the Supplemental Indenture (assuming due authorization, execution and delivery by the Trustee) constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally and subject to equitable principles, whether in a proceeding at law or in equity and that the Assessments are legal, valid, and binding liens upon the property against which the Assessments are made, coequal with the lien of all State, County and municipal ad valorem taxes and superior in priority to all other liens, titles and claims against said property then existing or thereafter created, until paid; and

(iv) an opinion of Bond Counsel for the District substantially to the effect that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are Tax Exempt Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to the initial purchasers.

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the MBA of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and

authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chair or Vice Chair of the District.

(c) The proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as provided by Supplemental Indenture for such Series of Bonds.

Section 208. Mutilated, Destroyed or Lost Bonds. If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

Section 209. Parity Obligations Under Credit Agreements. As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

Section 210. Bond Anticipation Notes. Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit, in the

related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

Section 211. Tax Status of Bonds. Any Series of Bonds issued under this Master Indenture may be issued either as Tax Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

ARTICLE III REDEMPTION OF BONDS

Section 301. Redemption Generally. The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the “unit of principal amount”).

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the Redemption Price of the unit or units of principal amount called for redemption, shall be

entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series.

Section 302. Notice of Redemption; Procedure for Selection. The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds so to be redeemed. Except as provided below, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (b) the CUSIP numbers of all Bonds being redeemed; (c) in the case of a partial redemption of Bonds, the principal amount of each Bond being redeemed; (d) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the Series designation; (e) the rate or rates of interest borne by each Bond being redeemed; (f) the maturity date of each Bond being redeemed; (g) the place or places where amounts due upon such redemption will be payable; (h) any condition or conditions to be met prior to the redemption of the Bonds being redeemed; and (i) the notice date, redemption date, and Redemption Price. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date;

provided, however, that such presentation shall not be required while such Bonds are held in a book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

Section 303. Effect of Calling for Redemption. On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

Section 304. Cancellation. Bonds called for redemption shall be canceled upon the surrender thereof.

ARTICLE IV ACQUISITION AND CONSTRUCTION FUND

Section 401. Acquisition and Construction Fund. There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

Section 402. Payments from Acquisition and Construction Fund. Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire

transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

Section 403. Cost of a Series Project. For the purposes of this Master Indenture, the Cost of a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account or Series Interest Account, Capitalized Interest shall also include any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Series Capitalized Interest Account or Series Interest Account, provided that such direction includes a certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Series Acquisition and Construction Account, together with earnings thereon will be sufficient to complete the related Series Project which is to be funded from such Series Acquisition and Construction Account.

(c) *Acquisition Expenses.* The costs of acquiring, by purchase or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, plans and specifications and similar items and other interests in property, whether real or personal, tangible or intangible, which themselves constitute a Series Project or which are necessary or convenient to acquire, install and construct a Series Project and payments, contributions, dedications, taxes, assessments or permit fees or costs and any other exactions required as a condition to receive any government approval or permit necessary to accomplish any District purpose.

(d) *Construction Expense.* All costs incurred including interest charges, for labor and materials, including equipment, machinery and fixtures, by contractors, builders, and materialmen in connection with the acquisition, installation and construction of a Series Project, and including without limitation costs incident to the award of contracts.

Section 404. Disposition of Balances in Acquisition and Construction Fund. On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved for the payment of any remaining part of the Cost of the Series Project shall be transferred by the Trustee to the credit of the Series Redemption Account or as

otherwise provided in the Supplemental Indenture, and used for the purposes set forth for such Account in the Supplemental Indenture relating to such Series of Bonds.

ARTICLE V

ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 501. Lien. There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Pledged Funds and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

Section 502. Establishment of Funds. The following funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Debt Service Account and within such Series Debt Service Account,

- (i) a Series Interest Account,
- (ii) a Series Principal Account,

- (iii) a Series Sinking Fund Account,
- (iv) a Series Redemption Account and therein a Series Prepayment Subaccount and a Series Optional Redemption Subaccount, and
- (v) a Series Capitalized Interest Account

for each such Series of Bonds issued hereunder;

(d) Reserve Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Reserve Account for each such Series of Bonds issued hereunder and any Bonds issued on a parity with any such Series of Bonds hereunder; and

(e) Rebate Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Rebate Account for each such Series of Tax Exempt Bonds issued hereunder.

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Accounts or dispense with the Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

Section 503. Acquisition and Construction Fund.

(a) **Deposits.** The District shall pay to the Trustee, for deposit into the related Series Acquisition and Construction Account in the Acquisition and Construction Fund, as promptly as practicable, the following amounts received by it:

- (i) the amounts set forth in the Supplemental Indenture relating to such Series of Bonds;
- (ii) subject to Section 806 hereof, payments made to the District from the sale, lease or other disposition of the Series Project or any portion thereof;
- (iii) the balance of insurance proceeds with respect to the loss or destruction of the Series Project or any portion thereof; and
- (iv) amounts received by the District from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project when such costs were initially paid from the related Series Acquisition and Construction Account in the Acquisition and Construction Fund, or as otherwise required to preserve the tax-exempt status of a Series of Bonds.

Amounts in such Series Acquisition and Construction Account shall be applied to the Cost of the Series Project; provided, however, that if any amounts remain in such Series Acquisition

and Construction Account after the Date of Completion, and if such amounts are not reserved for payment of any remaining part of the Cost of the Series Project, such amounts shall be applied in the manner set forth in Section 404 above.

(b) **Disbursements.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition substantially in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this Section 503(b) or to determine that the requisition is for payment of a Cost for which payment is permitted hereunder.

(c) **Inspection.** All requisitions and certificates received by the Trustee pursuant to this Article shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District during the normal business hours of the Trustee, the Consulting Engineer, the Owner of twenty percent (20%) or more of the Outstanding Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

Section 504. Revenue Fund. The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt of all such Pledged Revenues (except Prepayments), when received, into the related Series Revenue Account and to immediately deposit all Prepayments, when received, into the related Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds. The Trustee may assume that any payments made by the District are not Prepayments and are to be deposited into the applicable Series Revenue Account absent written notification to the contrary to the Trustee at the time such funds are deposited with the Trustee.

Section 505. Debt Service Fund.

(a) *Principal, Maturity Amount, Interest and Amortization Installments.* Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein will equal the amount of interest payable on such Series of Bonds on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein will equal the principal amount, if any, payable with respect to Serial Bonds of such Series of Bonds on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series of Bonds are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series of Bonds on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series of Bonds maturing on such Interest Payment Date;

(v) to the credit of the Series Reserve Account, an amount, if any, which, together with the amount then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to such Series of Tax Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) *Disposition of Remaining Amounts on Deposit in Series Revenue Account.* The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account, and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid into the Series Sinking Fund Account in such Bond Year, and (ii) any amounts remain in the Series Revenue Account, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser, or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and used for any lawful purpose of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Redemption Account.

(c) *Series Reserve Account.* Moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose and as provided in Section 905 hereof.

(d) *Series Debt Service Account.* Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

(e) *Series Redemption Account.* Moneys representing Prepayments on deposit in a Series Redemption Account to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary or extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with

such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) ***Payment to the District.*** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

Section 506. Optional Redemption.

(a) ***Excess Amounts in Series Redemption Account.*** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) ***Purchase of Bonds of a Series.*** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued

interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Principal Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Principal Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Principal Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the next preceding sentence from amounts on deposit in the related Series Principal Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Principal Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (x) stating that sufficient moneys are on deposit in the Series Principal Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year, or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

Section 507. Rebate Fund.

(a) *Creation.* There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) *Payment to United States.* The Trustee shall pay to the District upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) *Deficiencies.* If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay any such deficiency from its own funds.

(d) *Survival.* The covenants and agreements of the District in this Section 507, Section 809, and any additional covenants related to compliance with provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income

for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508.

(a) *Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.* Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Account will be required for the purposes intended.

(b) *Series Reserve Account.* Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) *Investment Obligations as a Part of Funds and Accounts.* Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall, to the extent permitted by law, sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary to do so in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) *Valuation.* In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. Unless otherwise provided in a Supplemental Indenture related to a Series of Bonds, the Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of

the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (1) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (2) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

Section 509. Deficiencies and Surpluses in Funds and Accounts. For purposes of this Section 509: (a) a “deficiency” shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a “surplus” shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the applicable Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account, and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the written direction of an Authorized Officer, to the credit of the Series Redemption Account or the Series Principal Account or as otherwise provided in the related Supplemental Indenture.

Section 510. Investment Income. Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account and a Series Revenue Account shall be deposited, as realized, to the credit of

such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture relating to a Series of Bonds, earnings on investments in a Series Principal Account and Series Redemption Account shall be deposited, as realized, to the credit of such Series Interest Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture relating to a Series of Bonds, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account.

(b) if as of the last date on which amounts on deposit in the Series Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 above) in the Series Reserve Account, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be deposited to the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

Section 511. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall, upon request of the District, execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties and obligations expressly set forth herein, and no duties or obligations shall be implied against the Trustee.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the negligence or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may conclusively rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and, to the extent permitted under State law, and without waiving any limitations of liability set forth in Section 768.28, *Florida Statutes*, or other applicable law, shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to the Trustee's own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture and payable to the District other than moneys from a Credit Facility or Liquidity Facility. This provision shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts of deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) or (b) hereof, as the case may be, upon the occurrence of an Event of Default. Notwithstanding the foregoing, the indemnification provided by this Section 604 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct, and shall not cause the District to waive any limitations of liability as may be set forth in Section 768.28, *Florida Statutes*, or other applicable law.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term

“defaults” for purposes of this Section 606 and Section 607 being defined to include the events specified as “Events of Default” in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to conclusively rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and, after receipt of written notice thereof by a Credit Facility issuer or a Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least 25% in aggregate principal amount of the Bonds then Outstanding affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. Obligation to Act on Default. Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

Section 608. Reliance by Trustee. The Trustee may conclusively rely upon in acting on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

Section 609. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

Section 610. Construction of Ambiguous Provision. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

Section 611. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect;

provided that notice of such resignation shall be sent by first-class mail to each Owner as its name and address appears on the Bond Register and to any Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee has already been appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

Section 612. Removal of Trustee. Any Trustee hereunder may be removed at any time upon thirty (30) days' notice, with or without cause, by a written instrument appointing a successor to the Trustee so removed, upon application of the District; provided, however, that if an Event of Default has occurred hereunder and is continuing with respect to a Series of Bonds, then the Trustee hereunder may be removed only by an instrument appointing a successor to the Trustee so removed executed by the Majority Owners of the Series of Bonds as to which such Event of Default exists and filed with the Trustee and the District and such removal is subject to the conditions of payment in full of any and all amounts owed to the Trustee.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any material provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District; provided that no Event of Default has occurred hereunder and is continuing, or upon the application of the Owners of not less than 20% in aggregate principal amount of the Bonds then Outstanding.

Section 613. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Register, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that the District shall not appoint a successor Trustee if an Event of Default has occurred and is continuing, unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of any Credit Facility issuer and any Liquidity Facility issuer, to the appointment of such successor Trustee. If an Event of Default has occurred hereunder and is continuing and the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and a successor may be appointed by any court of competent jurisdiction upon the

application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding and such successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

Section 614. Qualification of Successor Trustee. A successor Trustee shall be a national bank with trust powers or a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

Section 615. Instruments of Succession. Except as provided in Section 616 hereof, any successor Trustee shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder and certifying that it is qualified to serve as successor Trustee hereunder, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with, except for the predecessor Trustee's rights under Section 604 hereof, all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. After withholding from the funds on hand any amounts owed to itself hereunder, the Trustee ceasing to act hereunder shall pay over to the successor Trustee all moneys held by it hereunder; and the Trustee ceasing to act and the District shall execute and deliver an instrument or instruments transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the Trustee ceasing to act except for the rights granted under Section 604 hereof. The successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

Section 616. Merger of Trustee. Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated or sold or into which all or substantially all of its corporate trust assets shall be sold or its operations conveyed, or any corporation, entity or purchaser resulting from any merger or consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation, entity or purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

Section 617. Resignation of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may resign and be discharged of the duties created by this Master Indenture by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the District and the Trustee not less than sixty (60) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation mailed not less than sixty (60) days prior

to such resignation date to each Owner as its name and address appear on the registration books of the District maintained by the Bond Registrar. Such resignation shall take effect on the date specified in such notice, unless a successor Paying Agent or Bond Registrar is previously appointed in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Bond Registrar. If the successor Paying Agent or Bond Registrar shall not have been appointed within a period of sixty (60) days following the giving of notice, then the Trustee may appoint a successor Paying Agent or Bond Registrar as provided in Section 619 hereof.

Section 618. Removal of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may be removed at any time prior to any Event of Default by the District by filing with the Paying Agent or Bond Registrar to be removed and the Trustee, an instrument or instruments in writing executed by an Authorized Officer appointing a successor. Such removal shall be effective thirty (30) days after delivery of the instrument (or such longer period as may be set forth in such instrument); provided, however, that no such removal shall be effective until the successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder.

Section 619. Appointment of Successor Paying Agent or Bond Registrar. In case at any time the Paying Agent or Bond Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Bond Registrar, as the case may be, and a successor shall be appointed by the District; and in case at any time the Paying Agent or Bond Registrar shall resign, then a successor shall be appointed by the District. Upon any such appointment, the District shall give written notice of such appointment to the predecessor Paying Agent or Bond Registrar, the successor Paying Agent or Bond Registrar, the Trustee and all Owners. Any new Paying Agent or Bond Registrar so appointed shall immediately and without further act supersede the predecessor Paying Agent or Bond Registrar.

Section 620. Qualifications of Successor Paying Agent or Bond Registrar. Every successor Paying Agent or Bond Registrar shall be a commercial bank or trust company (a) duly organized under the laws of the United States or any state or territory thereof, authorized by law to perform all the duties imposed upon it by this Master Indenture, and capable of meeting its obligations hereunder, and (b) have a combined net capital and surplus of at least \$50,000,000.

Section 621. Acceptance of Duties by Successor Paying Agent or Bond Registrar. Except as provided in Section 622 hereof, any successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Paying Agent or Bond Registrar, without any further act, deed or conveyance, shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Bond Registrar herein. Upon request of such Paying Agent or Bond Registrar, such predecessor Paying Agent or Bond Registrar and the

District shall execute and deliver an instrument transferring to such successor Paying Agent or Bond Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Bond Registrar and such predecessor Paying Agent or Bond Registrar shall pay over and deliver to the successor Paying Agent or Bond Registrar all moneys and other assets at the time held by it hereunder.

Section 622. Successor by Merger or Consolidation. Any corporation, entity or purchaser into which any Paying Agent or Bond Registrar hereunder may be merged or converted or sold or with which it may be consolidated or into which substantially all of its corporate trust assets shall be sold or otherwise conveyed, or any corporation, entity or purchaser resulting from any merger, sale or consolidation or purchase to which any Paying Agent or Bond Registrar hereunder shall be a party, shall be the successor Paying Agent or Bond Registrar under this Master Indenture without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Master Indenture to the contrary notwithstanding.

Section 623. Brokerage Statements. The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive individual confirmations of security transactions at no additional cost, as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish or otherwise make available to the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

Section 624. Patriot Act Requirements of the Trustee. To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust, or other legal entity, the Trustee will ask for documentation to verify such non-individual person's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

ARTICLE VII

FUNDS CONSTITUTE TRUST FUNDS

Section 701. Trust Funds. Subject to the provisions of Section 604 and Section 905(a) hereof, all amounts on deposit in Funds or Accounts for the benefit of a Series of Bonds shall:

(a) be used only for the purposes and in the manner herein and in the Supplemental Indenture relating to such Series of Bonds provided and, pending such application, be held by the Trustee in trust for the benefit of the Owners of such Series of Bonds;

(b) be irrevocably pledged to the payment of such Series of Bonds, except for amounts on deposit in the Series Rebate Account in the Rebate Fund;

(c) be held and accounted for separate and apart from all other Funds and Accounts, including Accounts for other Series of Bonds, and other funds and accounts of the Trustee and the District;

(d) until applied for the purposes provided herein, be subject to a first lien in favor of the Owners of such Series of Bonds and any parity obligations to issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds, which lien is hereby created, prior and superior to all other liens now existing or hereafter created, and to a second lien in favor of the Trustee as security for the reasonable compensation for the services of the Trustee hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, subordinate and inferior to the security interest granted to the Owners of such Series of Bonds and any parity obligations to issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds, but nevertheless payable in the order of priority as set forth in Section 905(a) or (b) hereof, as applicable; and

(e) shall not be subject to lien or attachment by any creditor of the Trustee or any creditor of the District or any other Series of Bonds other than the Owners of such Series of Bonds and the issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds.

ARTICLE VIII COVENANTS AND AGREEMENTS OF THE DISTRICT

Section 801. Payment of Bonds. The District shall duly and punctually pay or cause to be paid, but only from the Series Trust Estate with respect to each Series of Bonds, Debt Service on the dates, at the places, and in the amounts stated herein, in any Supplemental Indenture, and in the Bonds of such Series.

Section 802. Extension of Payment of Bonds. Except as provided in Section 901 hereof, the District shall not directly or indirectly extend the time for payment of the interest on any Bonds. The time for payment of Bonds of any Series shall be the time prescribed in the Supplemental Indenture relating to such Series of Bonds.

Section 803. Further Assurance. At any and all times the District shall, so far as it may be authorized by law, pass, make, do, execute, acknowledge and deliver, all and every such further resolutions, acts, deeds, conveyances, assignments, transfers and assurances as may be necessary or desirable for the better assuring, conveying, granting, assigning and confirming all and singular the rights, moneys, securities and funds hereby pledged or assigned, or intended so to be, or which the District may become bound to pledge or assign after the date of execution of this Master Indenture; provided, however, that nothing herein shall be construed as a pledge of the full faith and credit of the District or a general obligation of the District.

Section 804. Power to Issue Bonds and Create a Lien. The District hereby represents to the Trustee and to the Owners that it is and will be duly authorized under all applicable laws to issue the Bonds of each Series, to execute this Master Indenture, to adopt Supplemental

Indentures, and to pledge its moneys, securities and funds in the manner and to the extent provided herein. Except as provided herein, the District hereby represents that such moneys, securities and funds of the District are and will be free and clear of any pledge, lien, charge or encumbrance thereon and all action on the part of the District to that end has been and will be duly and validly taken. The Bonds of each Series, this Master Indenture and any Supplemental Indenture are and will be the valid and legally enforceable obligations of the District, enforceable in accordance with their terms except to the extent that enforcement thereof may be subject to bankruptcy and other similar laws affecting creditors' rights generally. The District shall at all times, to the extent permitted by law, but without intending to waive any limitations on liability set forth in Section 768.28, *Florida Statutes*, or other applicable law, defend, preserve and protect the pledge and lien created by this Master Indenture and all the rights of the Owners hereunder against all claims and demands of all other persons whomsoever.

Section 805. Power to Undertake Series Projects and to Collect Pledged Revenues. The District has or will have upon the date of issuance of each Series of Bonds, and will have so long as any Bonds are Outstanding, good right and lawful power: (a) to undertake the Series Projects, or it will take such action on its part required which it deems reasonable in order to obtain licenses, orders, permits or other authorizations, if any, from any agency or regulatory body having lawful jurisdiction which must be obtained in order to undertake such Series Project; and (b) to fix, levy and collect or cause to be collected any and all Pledged Revenues.

Section 806. Sale of Series Projects. The District covenants that, until such time as there are no Bonds of a Series Outstanding, it will not sell, lease or otherwise dispose of or encumber the related Series Project or any part thereof other than as provided herein. The District may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by the District in connection with a Series Project, or any materials used in connection therewith, if the District shall determine that such articles are no longer needed or are no longer useful in connection with the acquisition, construction, operation or maintenance of a Series Project, and the proceeds thereof may be applied to the replacement of the properties so sold or disposed of and, if not so applied, shall be deposited to the credit of the related Series Acquisition and Construction Account or, after the Date of Completion of the Series Project, applied as provided in the corresponding Supplemental Indenture. The District may from time to time sell or lease such other property forming part of a Series Project which it may determine is not needed or serves no useful purpose in connection with the maintenance and operation of such Series Project, if the Consulting Engineer shall in writing approve such sale or lease; the proceeds of any such sale shall be disposed of as hereinabove provided for the proceeds of the sale or disposal of movable property. The proceeds of any lease as described above shall be applied as provided in the corresponding Supplemental Indenture.

Notwithstanding the foregoing, the District may: (a) dispose of all or any part of a Series Project, other than a Series Project the revenues to be derived from the operation of which are pledged to a Series of Bonds, by gift or dedication thereof to any unit of local government, or to the State or any agency or instrumentality of either of the foregoing or the United States

Government; and/or (b) impose, declare or grant title to or interests in the Series Project or a portion or portions thereof in order to create ingress and egress rights and public and private utility easements as the District may deem necessary or desirable for the development, use and occupancy of the property within the District; and/or (c) impose or declare covenants, conditions and restrictions pertaining to the use, occupancy and operation of the Series Projects.

Section 807. Completion and Maintenance of Series Projects. The District shall complete the acquisition and construction of a Series Project with all practical dispatch and in a sound and economical manner. So long as any Series Project is owned by the District, the District shall maintain, preserve and keep the same or cause the same to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time make, or cause to be made, all necessary and proper repairs, replacements and renewals so that at all times the operation thereof may be properly and advantageously conducted.

Section 808. Accounts and Reports.

(a) ***Accounts Report.*** The Trustee shall, within ninety (90) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with or otherwise make available to the District a summary with respect to each Fund and Account of the deposits thereto and disbursements therefrom during such Fiscal Year and the amounts held therein at the end of such Fiscal Year, or at the option of the Trustee, such summary can be made on a monthly basis. For purposes of the foregoing, the term “Requesting Owner” shall mean the Owner (or Beneficial Owner in the case of book-entry Bonds) of more than \$1,000,000 aggregate principal amount of any Series of Bonds who requests such information from the District in writing to the District.

(b) ***Inspection.*** The reports, statements and other documents required to be furnished by the District to the Trustee and by the Trustee to the District pursuant to any provisions hereof shall be available for inspection by any Owner of at least twenty percent (20%) of the Outstanding Bonds of the related Series at the designated corporate trust office of the Trustee upon the giving of at least five (5) days advance written notice to the Trustee.

(c) ***Reports Pursuant to Uniform Special District Accountability Act of 1989.*** The District covenants and agrees that it will comply with the provisions of Chapter 189, Florida Statutes, as amended, the Uniform Special District Accountability Act of 1989, to the extent applicable to the District, including any reporting requirements contained therein which are applicable to the District. The District may contract with a service provider selected by the District to ensure such compliance.

Section 809. Arbitrage and Other Tax Covenants. The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause the Tax Exempt Bonds to become “arbitrage bonds” as defined in Section 148 of the Internal Revenue Code of 1986. The District further covenants that it will take all such actions after delivery of any Tax Exempt Bonds as may be required in order for interest on such Tax Exempt

Bonds to remain excludable from gross income (as defined in Section 61 of the Internal Revenue Code of 1986) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will, to the extent not remitted by the Trustee from funds held in a Series Rebate Account, remit to the United States the Rebate Amount at the time and place required by this Master Indenture, any Supplemental Indenture, and the Tax Regulatory Covenants. Notwithstanding the foregoing, nothing shall require the District to impose additional assessments, taxes, or other similar amounts, the imposition of which would require an action of the Governing Body.

Section 810. Enforcement of Payment of Assessments. The District will assess, levy, collect or cause to be collected and enforce the payment of Assessments and/or any other sources which constitute Pledged Revenues for the payment of any Series of Bonds in the manner prescribed by this Master Indenture, any Supplemental Indenture and all resolutions, ordinances or laws thereunto appertaining at times and in amounts as shall be necessary in order to pay, when due, the principal of and interest on the Series of Bonds to which such Pledged Revenues are pledged; and to pay or cause to be paid the proceeds of such Assessments as received to the Trustee in accordance with the provisions hereof.

Section 811. Method of Collection of Assessments. The District shall levy and collect Assessments in accordance with applicable State law, including the Act.

Section 812. Delinquent Assessments. If the owner of any lot or parcel of land shall be delinquent in the payment of any Assessment pledged to a Series of Bonds, then such Assessment shall be enforced in accordance with the provisions of the Act and Chapters 170 and/or 197, Florida Statutes, as amended, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, then upon the delinquency of any Assessment, the District, either on its own behalf or through the actions of the Trustee, may, and shall, if so directed in writing by the Majority Owners of the Bonds of such Series then Outstanding, declare the entire unpaid balance of such Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, Florida Statutes, and Section 6(17) of the Act, or otherwise as provided by law.

Notwithstanding anything to the contrary herein, the District shall be entitled to recover from any foreclosure or other enforcement action before such proceeds are applied to the payment of principal or interest on the Bonds, all fees and costs expended in connection with such foreclosure, regardless of whether such fees and costs are included as part of the Assessments or Pledged Revenues. The foregoing is not intended and does not create a right for the District to be paid prior to the Trustee's right as provided in Section 905 hereof.

Section 813. Deposit of Proceeds from Sale of Tax Certificates. If any tax certificates relating to Delinquent Assessments which are pledged to secure the payment of the principal of and interest on a Series of Bonds are sold by the Tax Collector pursuant to the provisions of

Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Account.

Section 814. Sale of Tax Deed or Foreclosure of Assessment Lien. If any property shall be offered for sale for the nonpayment of any Assessment, which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount greater than or equal to the full amount due on the Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may, but is not required to, then be purchased by the District for an amount equal to or less than the balance due on the Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments were pledged; provided that the Trustee shall have the right, acting at the written direction of the Majority Owners of the applicable Series of Bonds secured by such Assessment, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the related Series Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as herein provided, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the related Series of Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the related Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Majority Owners or the Trustee, acting at the written request of such Majority Owners.

Section 815. Other Obligations Payable from Assessments. Except as otherwise provided in a Supplemental Indenture, the District will not issue or incur any obligations payable from the proceeds of Assessments securing a Series of Bonds nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge upon such Assessments except for fees, commissions, costs, and other charges payable to the Property Appraiser or to the Tax Collector pursuant to State law.

Section 816. Re-Assessments. If any Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Assessment when it might have done so, the District shall either: (a) take all necessary steps to cause a new Assessment to be made for the whole or

any part of such improvement or against any property benefited by such improvement; or (b) in its sole discretion, make up the amount of such Assessment from legally available moneys, which moneys shall be deposited into the related Series Revenue Account. In case any such subsequent Assessment shall also be annulled, the District shall obtain and make other Assessments until a valid Assessment shall be made.

Section 817. General. The District shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the District under law and this Master Indenture, in accordance with the terms of such provisions.

Upon the date of issuance of each Series of Bonds, all conditions, acts and things required by law and this Master Indenture and any Supplemental Indenture to exist, to have happened and to have been performed precedent to and in the issuance of such Series of Bonds shall exist, have happened and have been performed and upon issuance, such Series of Bonds shall be within every debt and other limit prescribed by the laws of the State applicable to the District.

The District shall not enter into any contract or take any action by which the rights of the Trustee or the Owners may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the District shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Series Projects, and all parts thereof owned by the District to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

Section 901. Extension of Interest Payment. If the time for payment of interest of a Bond of any Series shall be extended, whether or not such extension be by or with the consent of the District, such interest so extended shall not be entitled, in case of a default hereunder, to the benefit or security of this Master Indenture unless the aggregate principal amount of and all accrued interest on all Bonds then Outstanding, the time for payment of which shall not have been extended, shall have previously been paid in full.

Section 902. Events of Default. Each of the following events is hereby declared an Event of Default with respect to a Series of Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

(f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) If at any time the amount on deposit in a Series Reserve Account in the Reserve Fund is less than the Series Reserve Account Requirement with respect to a Series of Bonds as a result of the Trustee withdrawing an amount therefrom to pay Debt Service with respect to the corresponding Series of Bonds and such amount has not been replenished within thirty (30) days of such withdrawal;

(h) More than twenty percent (20%) of the Maintenance Special Assessments levied by the District on tax parcels subject to Assessments pledged to a Series of Bonds are not paid by the date such are due and payable; and

(i) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the related Series of Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds of such Series then Outstanding and affected by such default; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied,

as the case may be, within such thirty (30) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such thirty (30) day period and shall diligently and continuously prosecute the same to completion.

Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances. Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Section 904. Enforcement of Remedies. Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607 hereof, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of such Series of Bonds then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such 60-day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (i) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within one hundred twenty (120) days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and

(ii) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds. Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 of this Article, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 of this Article, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and, then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for

principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 of this Article, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 of this Article, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 of this Article, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 of this Article.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date, and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

Section 906. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Section 907. Restriction on Individual Owner Actions. Except as provided in Section 910 below, no Owner of any of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

Section 908. No Remedy Exclusive. No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture

provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

Section 909. Delay Not a Waiver. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 910. Right to Enforce Payment of Bonds. Nothing in this Article shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

Section 911. No Cross Default Among Series. The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

Section 912. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct. In the case of an indemnity from the District, such indemnity may only be provided by the District to the extent permitted by State law, and shall not cause the District to waive any limitations of liability as may be set forth in Section 768.28, *Florida Statutes*, or other applicable law.

Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner. (a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least three percent (3%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the

ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Majority Owners of the Bonds of a Series then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners or the Trustee, acting at the direction of such Majority Owners, within sixty (60) days following delivery to the Majority Owners and the Trustee of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee or the Majority Owners;

(iii) the District hereby agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Majority Owners of the Bonds of a Series then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners and the Trustee within sixty (60) days following delivery to the Majority Owners and the Trustee of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use

of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Maintenance Special Assessments, and the District shall be free to pursue such a claim in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not affirmatively seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Maintenance Special Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

ARTICLE X

EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in

any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

Section 1002. Deposit of Bonds. Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

ARTICLE XI SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Without Owners' Consent The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which supplemental indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

- (a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or
- (b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or
- (c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or
- (d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or
- (e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to the Act and/or Chapters 170, 189, and 197, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of the Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

Section 1102. Supplemental Indentures With Owner Consent.

(a) Subject to the provisions contained in this Section 1102, and not otherwise, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;

(ii) a reduction in the principal, premium, or interest on any Bond;

(iii) a preference or priority of any Bond over any other Bond; or

(iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;
- (ii) a reduction in the principal, premium, or interest on any Bond of such Series;
- (iii) a preference or priority of any Bond of such Series over any other Bond of such Series;
- (iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture; or
- (v) any amendments to this Article XI.

(c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.

(d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture. In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indentures shall be effective unless and until there shall have been delivered to the Trustee the opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the exclusion from gross income for federal income tax

purposes of interest on the related Series of Bonds. The opinions required by the foregoing shall be obtained at the expense of the District.

Section 1104. Supplemental Indenture Part of Indenture. Any supplemental indenture executed in accordance with this Article and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such supplemental indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof.

Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility: (i) at all times for the purpose of the execution and delivery of a supplemental indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's written request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding; (ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and (iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting: (i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or (ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or (iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or (iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

ARTICLE XII DEFEASANCE

Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and any Letter of Credit Agreement and any Liquidity Agreement and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the written request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed in writing by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if: (i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III notice of redemption of such Bonds on such date; (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which

when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be; (iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and (iv) there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased, that such Series of Bonds is no longer Outstanding, and that, in the case of Tax Exempt Bonds, such defeasance will not adversely affect the tax exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee: (i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate or, and to the extent all obligations under any Letter of Credit Agreement and/or any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility and/or any Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and (ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and/or any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture. For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(d) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the

total amount of moneys and Investment Obligations on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and/or any Liquidity Agreement pursuant to the provisions of this Section 1201, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement and/or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if, at the time a deposit is made pursuant to this subsection (e), the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility and/or Liquidity Facility, for obligations under any Letter of Credit Agreement and/or any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement and/or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall, at the written request of the District, be repaid by the Trustee or Paying Agent to the District as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall

be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

Section 1202. Moneys Held in Trust. All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section 1202 shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.
